Precautions and safety Guidelines for Exhibitors in a COVID-19 Environment

HYGIENE PROTOCOLS

Here at EXPO, our highest priority is to serve everyone during this pandemic with biosecurity and hygiene.

Therefore, we are now certified in GBAC (Global Biorisk Advisory Council) with an emphasis on SARS-CoV-2 / COVID 19.

CLEANING & SANITIZATION

NEUTRALIZE ENVIRONMENTS

Creating and maintaining clean environments will be primary for the success of live events. To ensure you're staying focused on your buyers, order a nightly sanitizing booth clean from Expo Convention Contractors, Inc., order form in the exhibitor kit.

HEALTH MONITORING

Be alert for symptoms, watch for fever cough, shortness of breath or other symptoms of Covid-19.

SOCIAL DISTANCING

ALWAYS WASH YOUR HANDS

RESPIRATORY ETIQUETTE

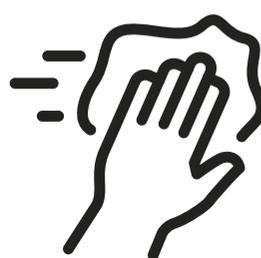

STAY HOME IF YOU ARE SICK

WEAR APPROPRIATE PPE

DISINFECT AND MINIMIZE TOUCHPOINTS
