

POST COVID-19 SAFETY MEASURES

YOUR SAFETY IS OUR PRIORITY

We promote frequent and thorough hand washing, and provide alcohol-based hand Sanitizer when soap and running water are not immediately available.

Maintain regular housekeeping practices, including routine cleaning and disinfecting of surfaces, equipment, and other elements of the work environment, we also encourage the use of protective gloves

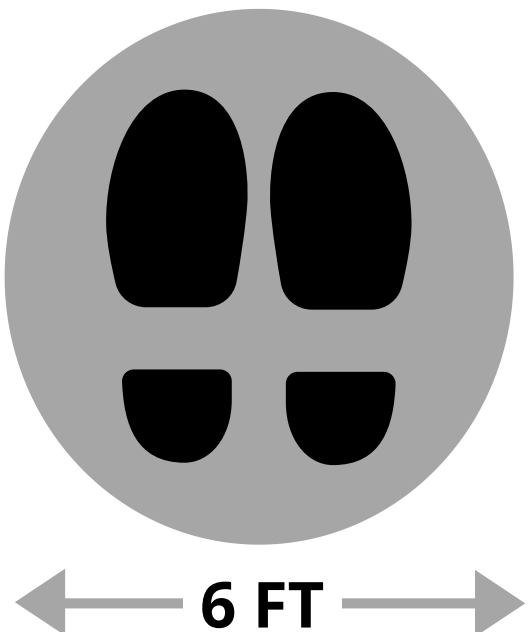

To help ensure all 1ST Class employees are safe and mitigate the risk of virus spread, we have implemented temperature screening procedures upon arrival at locations.
