MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES

SPECIAL HANDLING

Rate as shown on Material Handling Authorization Form

The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without rehandling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

OVERTIME

Surcharge: 25%

Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond EXPO's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the EXPO Service Desk AND the driver has checked in.

LATE SHIPMENTS

Surcharge: 25%

A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening.

UNCRATED SHIPMENTS

Rate as shown on Material Handling Authorization Form

An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show and is based on the weight of the shipment handled.

OFF-TARGET DELIVERIES

Surcharge: 25%

For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

PADDED VAN DELIVERIES

Surcharge: \$8.00/CWT

A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

MARSHALING YARD

Surcharge: Maximum \$20.00

Where EXPO Convention Contractors, Inc. as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, EXPO may charge a fee per shipment processed through the marshaling yard.

REWEIGH OF SHIPMENTS

Surcharge: \$25.00 per forklift load

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

EMPTY CRATE STORAGE

Surcharge: \$50.00 per piece

A charge per crate, carton or skid applies when EXPO handles the storage and return of empties from a shipment not received by EXPO and therefore not subject to material handling charges.

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

Surcharge: BASED ON WEIGHT OF MATERIALS AND LOCATION

Shipments arriving at the warehouse during Expo show move-in days and/or Exhibitor Move-in Days will be charged a Special Handling Fee. Please call customer service for details.

If you have any questions about material handling, please contact EXPO Customer Service department.

MATERIAL HANDLING Q & A

What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. Material handling begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

What does CWT mean?

CWT is an acronym for Century Weight, therefore it means per 100 lbs.

IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

EXPO will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00am - 3:30pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

MATERIAL HANDLING CHARGES

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100 lbs.
For example: 185 lbs. = 185 lbs X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

MATERIAL HANDLING CHARGES

What are specialized carrier shipments?

Shipments that arrive via small package carrier such as FedEx Express Service, UPS small package service or DHL small package service AND do not have a certified weight ticket included with shipment. This applies to packages weighing under 100 lbs.

How do I calculate my specialized carrier shipment?

Charges for specialized carrier shipments are based on per carton, per delivery.
Example: I'm shipping 3 packages via FedEx, how much will I be charged? 3 x per carton rate = \$ amount charged (plus any additional fees that may apply).

Please be advised that your whole shipment may not arrive to its destination at one time. Therefore, you may be charged per each delivery, and minimum charges may apply.

CRATED~UNCRATED~SPECIAL HANDLING

What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/ reloaded with no special handling required.

What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

IMPORTANT FACTS ABOUT DIRECT SHIPMENTS

What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.
Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

LIABILITY INSURANCE

What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

OUTBOUND SHIPMENTS

You must complete an EXPO Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a EXPO customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, EXPO will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).

EXPO loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. EXPO assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the moveout deadline after a show, EXPO shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

Based on show move-in/moveout schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond EXPO's control may be moved into the exhibit hall on overtime. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the EXPO Service Desk.

PACKAGING, CRATES AND EMPTY CONTAINERS

EXPO shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. EXPO shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. EXPO shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. EXPO assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."
